2024-2025 Scholarship Recipient

Allyn J. Allen is a tribal member of the Navajo Nation and is currently enrolled with the Navajo Technical University pursuing a bachelors degree in Electrical Engineering.

"I plan to work in the Navajo Nation as an Electrical Engineer, help the youth in my community on the reservation who find interest in STEM, and advocate for the usage of clean and renewable energy sources such as solar and wind. I would also enjoy creating more opportunities for the youth to take advantage of in high school such as local internships on the Navajo Nation and surrounding areas".

-A. Allen
